Here's a Testimonial from One of Our Satisfied Customers:

"The fact of the matter is that I really don't have too much to say, and that's a good thing. My coffee shop has been in a pinch without their water filtration for 2 years now, trying to find the right solution. I called Boyett's about their rental equipment and they told me everything I needed to know, a quote, and an installation date in five minutes. The installer came out - installing both of the systems in both

"It's the most ingenious system we have!"

businesses. He recommended we install a higher flow membrane on site, and did it for us. None of his recommendations were over the top. He installed the ability to upgrade the water system, because he noticed our ice machine may create an issue. Sure enough, that Monday.....we needed to increase the tank. With prices low enough, it's affordable to increase the tank, and his advice was sound,.... Overall, renting from Boyett's will save you money. We probably would forget to do our maintenance. We probably wouldn't have the expertise, or the professionalism of these guys. With a company this good it's hard to go wrong!"
